

**This school utilizes a  
Building Based Student Support Team**

**BBSST** – A Building Based Student Support Team is a mandatory, best practice, problem-solving team implemented at the local school level.

Any Student who is at risk of school failure due to academic or behavioral concerns may be referred to the Building Based Student Support Team by parents or teachers for possible services. For more information please contact **Mrs. Stacie Wren** at **256-734-3923, Ext. 215** or [swren@cullmancats.net](mailto:swren@cullmancats.net). Additional information can be accessed at [www.alsde.edu](http://www.alsde.edu).
